

**Resurrection University**  
**The Saint Francis School of Radiography**  
**Program Effectiveness Data Final Analysis of 2012-2016**  
**Bachelor of Science in Imaging Technology**  
**Analysis begins with 2017 cohorts**

**Credentialing examination pass rate** is defined as the number of student graduates who pass, on first attempt, the American Registry of Radiologic Technologists (ARRT) certification examination or an unrestricted state licensing examination compared with the number of graduates who take the examination within six months of graduation. This table explains yearly and the 5 year pass rate.

Class	Graduates	Exam passed 1 <sup>st</sup> attempt	%	Overall Score
2012	15	15/15	100%	89.8
2013	18	18/18	100%	88.1
2014	17	16/17	94%	88.5
2015	17	16/17	94%	88.4
2016	19	19/19	100%	90.7
<b>5 year rate 2012-2016</b>			<b>97.6%</b>	

**Job placement rate** is defined as the number of graduates employed in the radiologic sciences compared to the number of graduates actively seeking employment in the radiologic sciences. The JRCERT has defined not actively seeking employment as: 1) graduate fails to communicate with program officials regarding employment status after multiple attempts, 2) graduate is unwilling to seek employment that requires relocation, 3) graduate is unwilling to accept employment due to salary or hours, 4) graduate is on active military duty, and/or 5) graduate is continuing education. Will be assessed beginning 6 months post-graduation.

Year	Percent job placement	Number of Graduates Actively sought employment
2012	100%	15/15 employed
2013	100%	18/18 employed
2014	100%	16/16 employed
2015	100%	16/16 employed
2016	100%	19/19 employed
<b>5 year average</b>	<b>100%</b>	

**Program completion rate** is defined as the number of students who complete the program within 150% of the stated program length. The program must establish a benchmark for its program completion rate. The program specifies the entry point (e.g., required orientation date, final drop/add date, final date to drop with 100% tuition refund, official class roster date, etc.) used in calculating program's completion rate.

Year	Percent Completion	Number of Students
2012	88 %	17 began/15 graduated
2013	95%	19 began/18 graduated
2014	94.4%	18 began/17 graduated
2015	80.9%	21 began/17 graduated
2016	95%	20 began/19 graduated
