

Looking for mental health or psychiatric treatment? Need an evaluation or second opinion?

Resurrection University collaborates with
Presence Saints Mary and Elizabeth Medical Center
to provide you with a broad range of mental
health services.

Presence Outpatient Behavioral Health at SMEMC provides comprehensive, client-centered mental health care for individuals, families, adults, children, and adolescents. Outpatient treatment options include psychiatric services, individual, family, and group therapy, community support, case management, an adolescent intensive outpatient program, and outpatient day programs. Our hospitals also provide inpatient psychiatric care for adults (18+) and children/adolescents (3-17).

These services are available at our two clinics:

St. Elizabeth's

9 am – 7 pm (school year), 9 – 6 pm (summer)
1431 N Claremont, 2nd Floor Pavilion

St. Mary's

9 am – 7 pm (Mon - Thur), 9 am – 5 pm (Fri)
9 am – 2 pm (Sat)
1127 N Oakley, 3rd Floor

PAYMENT

We accept major insurances, Medicaid, Medicare, CountyCare, and other Public Aid plans. We encourage those without insurance to get CountyCare.

At St. Mary's we also offer a sliding scale with a free initial evaluation and free first visit to a psychiatrist. Please contact us for sliding scale rates.
